Stage 1 My Introduction to Sailing

 Course Duration: **6 hours**

On completion of this Stage, you will have a basic understanding of how a boat sails, be able to sail a boat on a reach, go about and turn towards and away from the wind in 5-15 knots of wind, under supervision.

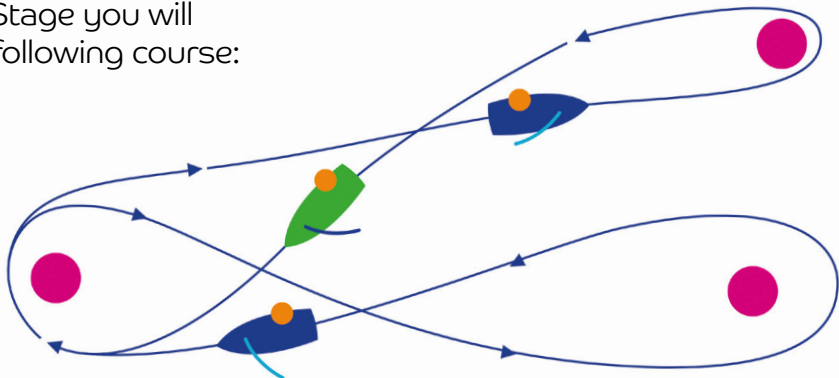

Practical Skills Checklist

Pat yourself on the back and tick them off

General	✓
I can put on a personal buoyancy aid correctly	☐
I am confident in the water wearing a personal buoyancy aid	☐
I can identify wind direction	☐
I can help with rigging a boat	☐
I can secure a boat to a trolley	☐
I can help with the recovery of equipment used	☐
I can demonstrate the helming position	☐
I can steer the boat, tacking on a reach to reach course	☐
I understand the sheeting technique	☐
I can steer the boat towards and away from the wind, sheeting first then turning the rudder	☐
I understand the basic boat controls	☐
I understand the basic principles of controlling speed and power	☐
I can signal if I require assistance	☐
I understand why I should stay with the boat when it capsizes	☐
Knots	
I can tie a figure of 8 knot	☐
Background Knowledge	
None	☐

The Course

At the end of this Stage you will be able to sail the following course:

certificate here

Stage 2

Building my Knowledge

 Course Duration: 8 hours

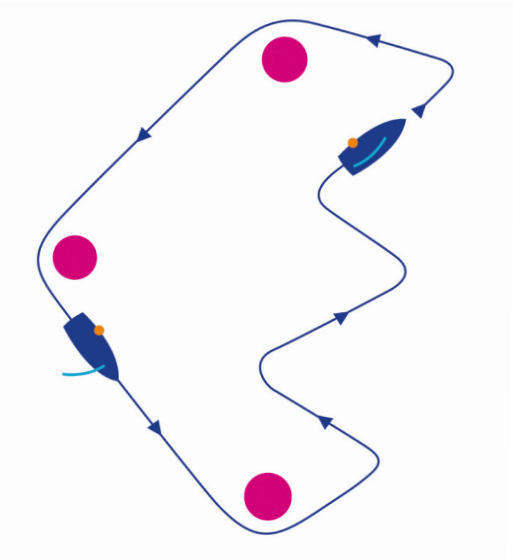

On completion of this Stage, you will be able to rig a boat and sail around a triangular course in 5-15 knots of wind, under supervision.

Practical Skills Checklist

General	✓
I can put the boat head to wind for rigging	☐
I can rig a boat with minimal help	☐
I understand how to manoeuvre a trolley on shore to keep clear of other boats	☐
I can control the speed of my boat	☐
I can get out of irons (head to wind)	☐
I can beat towards the wind (upwind sailing)	☐
I can sail downwind on a training run	☐
I can gybe	☐
I can sail a triangular course under supervision	☐
I have a practical understanding of the five core fundamentals of sailing	☐
I can return to a beach	☐
I can right a capsized boat, with minimal help	☐
Knots	
I can tie a reef knot	☐
Background Knowledge	
I understand the No Go Zone (head to wind)	☐
I understand what windward, leeward and gybe mean	☐
I have knowledge of:	☐
• What to do if a boat on port and a boat on starboard meet	☐
• What to wear when sailing	☐
• Choosing and adjusting buoyancy aid for myself	☐
Background Experience	
Min 8h of sailing (including the Stage 1 Course)	☐

The Course

At the end of this Stage you will be able to sail the following course:

Stage 3

Getting to know my Boat

 Course Duration: 8 hours

On completion of this Stage you will be able to assess conditions, rig, launch, sail your boat in any direction and return to the place you started from safely in 5 – 15 knots of wind.

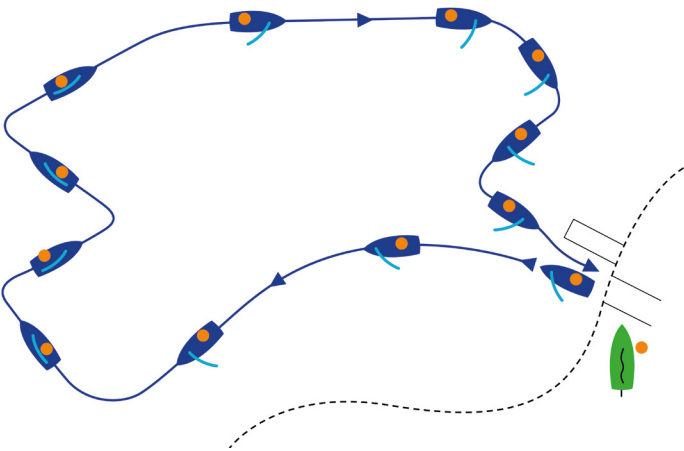

Practical skills checklist

Don't forget to tick off once completed

General		✓
I can rig, launch and recover a boat in any wind direction	☐	
I can get afloat without any help	☐	
I can set a boat up according to the conditions	☐	
I understand the principles of the five fundamentals: Sail setting, Balance, Boat trim, Centreboard, Course sailed and how they are used to control the boat	☐	
I can sail close hauled, on a reach and on a run	☐	
I can use tell tails on my sail	☐	
I can recover from a total inversion	☐	
I can come alongside a moored boat	☐	
I can prepare for and take up a tow from a powerboat	☐	
I can stop my boat	☐	
Knots		
I can tie a Bowline	☐	
I can tie a clove hitch	☐	
I can tie all my knots in the water	☐	
Background Knowledge		
I understand how a sail works (basic knowledge)	☐	
I understand basic sailing rules (Port/starboard, windward/leeward, clear ahead/clear astern)	☐	
I know how to get a weather forecast from a variety of sources	☐	
I understand wind strength effects on sailing conditions	☐	
I understand the importance of telling someone where I am going to sail	☐	
I understand I need to be aware of temperature, tide and currents	☐	
Background Experience		
Min 24h of sailing (including the Stage 1 and Stage 2 course)	☐	

The Course

At the end of this Stage you will be able to sail the following course:

Crew Endorsement

(Endorsement for sailors, who have participated in the Learn to Sail Training Courses). On completion of this Endorsement you should be an effective crew on a double handed boat

General	
I can launch and recover a double handed dinghy with the helm	☐
I can trim a Jib	☐
I understand the concept of a Jib slot	☐
I can find a training run on the downwind before gybing	☐
I understand how to right a capsized double handed dinghy with the helm	☐
I understand the importance of teamwork with balance and trim of the boat	☐
Background Knowledge	
I understand the importance of communication on a double handed boat	☐
Background Experience	
Min of 16h sailing	☐
